

Panizzon's flying

VITTORIA PANIZZON claimed open intermediate section D on Lucy Allison and Sarah Bullen's Borough Free Flight (Freebie). The Catherston Liberator eight-year-old rolled a pole in the showjumping, but a speedy cross-country and a 26.8 dressage brought his second win of the season.

Vittoria was also second in intermediate section A, on new ride Chequers Play The Game.

"Freebie had a blip at Belton, so I went to Wales and West showjumping last night," said Vittoria. "A few hours later he came here, and felt much softer and easier to ride today."

Bill Levett beat Vittoria in section A on his wife Jenny's Easy Lift seven-

year-old Lassban Diamond Lift.

"He has a lot of [thoroughbred] blood, and I think he will go on to the high levels," said Bill. "He's quite a sensible horse, even though he's sensitive, and dressage judges like his correct paces. Across country, he's natural and athletic."
