

Come Train with 4* Australian Event Rider

Bill Levett

When?

Sunday 25th Feb
And
Sunday 11th March

Where?

Horseheath (BE facility)

Want to brush up on your jumping skills?

This clinic will help riders continue to refine their jumping skills – improving accuracy as well as assessing speed necessary for the type of obstacle they are facing – ultimately enhancing show jumping and cross country riding techniques at a world class XC facility.

Horseheath is a relatively new venue with purpose built XC fences with a range from 60cm up to 100cm, including water, steps & ditches. This venue is renowned for its excellent going.
