

Bill Levett moves up the order to finish 15th with up-and-coming star Lassban Diamond Lift

Bill Levett piloted the green Lassban Diamond Lift round for just eight time-faults and a 20-place rise to ninth, with their only sticky moment being at the Hildon Water Pond, where Bill tried to go slowly after paying the price for being too free in the water at the World Equestrian Games last year.

"He's an unbelievable horse to gallop — you hardly ever come to the end at Badminton with a double handful," he said.
