

"He has plenty of gallop": Bill Levett heads the CCI2*-S aboard Brideview Master George as they finish on their 25.7 dressage score

PATIENCE PAYS OFF

AUSTRALIA'S Bill Levett topped the Fairfax & Favor CCI2*-S

with Brideview Master George, completing on their 25.7 dressage.

"He's a flashy-looking horse and so often gets a decent score in the dressage, but the showjumping has taken a while for him as he used to be very spooky," explained Bill of the seven-year-old he bought from the Monart Sale four years ago, and who is now owned by The Master George Syndicate.

"He's got better and better as time has gone on as he has become more knowledgeable and relaxed. He has always had lots of gears and plenty of gallop and even though I went quick today, he felt settled in his brain, which is another sign he is maturing and coming on."
